

Education

I Have A 5 Years Working Experience Which Includes 3 Years As A Civil Engineer And 2 Years As A Ux Designer.

Central University Ghana

Civil Engineering

Student

Sep 2013 - Jun 2017

I completed a 4 year Civil Engineering Program in Ghana, after which I worked for 3 years with different construction companies, drawing plans and building houses. I decided it was time to take up another career as a UX designer .

Ux Design Course

Certificate Of Ux Design

I have a six months training certificate with coursera, where i have gotten;

1. The Foundations Of User Experience (UX) Design
2. UX Design Process: Empathize, Define, And Ideate
3. Built Low And High Fidelity Prototypes

Work History

Civil Engineer

Laluco Construction

July 2018- February 2021

Pwan Group

Ux Designer

August 2021 - Present

As a UX designer I have worked on various projects which includes working for a real estate company and designing a learning management system for a school.

I have been working with PWAN GROUP for over a year, designing and prototyping various products that are online, building case studies and carrying out user research to enable our team work better.
